The Lodge is centrally situated and is thus an ideal base from which to explore the area. We are easy to find, just 7km off the tarred R40, slightly North of Hoedspruit. We are en-route to or from the Panorama Route and the Blyde River Canyon, via the Abel Erasmus Pass. The Kruger Park is also close by: both Orpen & Phalaborwa Gates are about 80km from us.

From Johannesburg / Pretoria take the N1 towards Polokwane

- Continue through Polokwane and take the R71 (Phalaborwa Road) towards Tzaneen.
- Drive through Magoebaskloof and Tzaneen and follow the Hoedspruit / White River signs from there (R71).
- Once you reach Gravelotte, continue straight on the R526 until you reach a T junction.
- Turn right on the R40 and continue straight until you see a sign for "Mohlabet'si Safari" pointing to the "Balule York Gate" on your left-hand side.
- Enter the manned security gate – there is a R300 per vehicle plus R100 per person entrance fee payable by card - and travel 7kms and drive straight into the camp, where a warm welcome awaits you.
